not back, let's not come back, let's go by the speed of  
queer zest & stay up  
there & get ourselves a little  
moon cottage (so pretty), then start a moon garden

with lots of moon veggies (so healthy), i mean  
i was already moonlighting  
as an online moonologist  
most weekends, so this is the immensely

logical next step, are you  
packing your bags yet, don't forget your  
sailor moon jean jacket, let's wear  
our sailor moon jean jackets while twirling in that lighter,

queerer moon gravity, let's love each other  
(so good) on the moon, let's love  
the moon  
on the moon
